15TH M&A INTERNATIONAL LAWYERS CONFERENCE

SPEAKERS AND PROGRAM

DÜSSELDORF
SEPTEMBER 18TH - 20TH, 2026

15TH M&A INTERNATIONAL LAWYERS CONFERENCE

The 15th M&A International Lawyers Conference will take place in Düsseldorf, Germany.

The conference will bring together a broad range of highly qualified speakers from different countries. They will address both key aspects of their respective national legal frameworks relevant to cross-border transactions and specific issues that commonly arise in the course of M&A deals. While some speakers will share practical insights drawn from their own cases, others will provide a broader perspective on current trends and developments in the M&A landscape. Furthermore, all attendees are invited to actively participate in the discussions that arise during the presentations.

Join us for a M&A weekend featuring thought-leading presentations, engaging panel discussions and high-level networking. Enjoy inspiring sessions during the day and evening gatherings, culminating in a dinner at a historic venue. As in the past, our aim is to keep the familiar atmosphere of the conference and to enhance the networking between the participants.

We look forward to seeing you in Düsseldorf from 18th to 20th September 2026.

Dr. Andreas Lachmann
